

# Aditya Verma

Fully available and can start immediately

## about

I am a student of **University of Regina** who has done an undergraduate diploma in **Computer Science**. I am seeking a new job opportunity either full time or part time. I am reliable, hard-working, a fast learner, friendly with great sense of humour. I can work independently and am willing to learn new things. Even if I do not possess much experience, I am capable of giving my hundred and ten percent after getting training.

### Course Hero Representative

Since August 2021, I am a Course Hero **Campus Representative** of University of Regina. My job is to host events in order to promote Course Hero either virtually or in-person. In this way, I was educating students about their incentives and products. I learned skills such as sales, marketing and event planning. **Lastly, I was a featured speaker at a corporate meeting of Course Hero.**

### Independent Grocery Store

I began working for Independent Grocery store in Sept,2021 as a Cashier. My job includes dealing with customers of all kind, helping them, providing them with best service. Moreover, I did get some knowledge and experience as a merchandiser.

### McDonald's

I started working in MacDonald's as crew member which involves working in the front as **cashier**, taking orders, dealing with cash and providing customer service at my best.
